

Premier Elite Summer Camps are heading to Garden Grove for 2 weeks!

Camp 1) 19th July – 23rd July

Camp 2) August 2nd – August 6th

Premier Elites offers top quality training, professional, experienced coaching staff and an ability specific program and environment which focuses on developing the technique, understanding and confidence necessary to enjoy the beautiful game of soccer. Be taught by some of the best and most fun English coaches at a Premier Elite Camp!

Our camp is specifically designed to help players who are looking to learn, improve their game, and build- confidence over the summer.

We offer an environment that is as fun and enjoyable as the next, but we also promise that your child will be challenged. We bring a staff hand chosen for their enthusiasm and belief that each of the players in our care can improve.

Look at www.Premier-Elite.com to read about our camps.

Our program is focused not only on teaching important techniques and skills, but also giving players confidence and the ability to take the risks necessary for rapid improvement at the sport.

Finally, it is our goal that each player that attends our camp will walk away saying that Premier Elite Camps were the most intense, rewarding soccer camps they have experienced. Our goal is to have a positive impact on their soccer life.

Get prepared for the soccer season ahead now!
