## Soccer Girl & Soccer Mom Crystal Apparel is Here!

Our popular Soccer Girl line has expanded to include backpacks, caps, jackets and fashionwear by AMERICAN APPAREL featuring exclusive Swarovski Crystal designs as well as your favorite classic Soccer Girl designs. We carry toddlers to ladies sizes!

We carry Puma, Adidas, Umbro, Diadora, Vizari and many more of your favorite brands

We have a wide selection of aides for the player to make the game more safe and enjoyable.

We recommend:

**SWEET SPOTS:** These colored bands cover the laces and keep them tied to prevent tripping, the hassle of tying laces in the middle of the game, and they create a smooth kicking surface for more ball control.

**PRE WRAP:** This colored foam wrap has a number of uses, from holding pads and socks in place, rolling as a headband or sweat band, to tying sleeves back. Available in a variety of colors.

**TULI'S HEEL CUPS:** Helps to eliminate heel problems and shin splints, and it gives you a better, more comfortable fit for your cleats.

**HAIR RIBBONS:** Order hair ribbons customized for your team in their colors! Save time and look good!

## Custom Team Banners from Banners USA
